A WINNER OF THE OREGON AND SOUTHWESTERN WASHINGTON TOP
WORKPLACES 2021 AWARD**

Portland, Oregon, September 23, 2021 – Prialto, the leading provider of managed virtual assistant services, has been awarded a Top Workplaces 2021 honor by Oregonian Top Workplaces for the second year in a row. The list is based solely on [employee feedback](#) gathered through a third-party survey administered by employee engagement technology partner [Energage](#) LLC. The anonymous survey uniquely measures 15 culture drivers that are critical to the success of any organization: including alignment, execution, and connection, just to name a few.

"During this very challenging time, Top Workplaces has proven to be a beacon of light for organizations, as well as a sign of resiliency and strong business performance," said Eric Rubino, Energage CEO. "When you give your employees a voice, you come together to navigate challenges and shape your path forward. Top Workplaces draw on real-time insights into what works best for their organization, so they can make informed decisions that have a positive impact on their people and their business."

"Prialto's mission is to Amplify People, and that includes our Portland-based and global workforce," said Prialto founder and CEO Eric Taussig. "While we have a long way to go, this award is gratifying because it says we are becoming a great place to grow for our employees."
